

## ANCHOR QEA SCHOLARSHIP

Anchor QEA is an environmental science and engineering consulting firm whose expertise and focus is in aquatic-based remediation, waterfront development projects, and water resources planning and engineering. To promote and develop this focused service area, Anchor QEA has established a scholarship fund to assist graduate students in their pursuit of higher education. Individual scholarship awards will range in value from \$500 to \$5,000 and be provided to the recipient's institution of higher learning to be disbursed to the student for graduate school tuition and supplies.

**ELIGIBILITY:** Full-time graduate students or persons accepted to United States graduate school  
Undergraduate GPA equivalent of B average or higher  
A major in: fisheries, environmental sciences, planning/land use, landscape architecture, or coastal, geotechnical, hydraulic or environmental engineering (any of which has an aquatic/waterfront emphasis)

**APPLICATION:** Applications are available on the internet at [www.anchorqea.com](http://www.anchorqea.com) or by emailing [scholarship@anchorqea.com](mailto:scholarship@anchorqea.com). Applicants also need to include the following:

- » Letter(s) of recommendation (professional/academic) from professors, employers, etc.
- » Certified copy of undergraduate and graduate (if applicable) transcripts
- » A one-page essay stating your educational goals, describing reasons for selecting your major, future plans in the field and how this scholarship would help you.
- » Resume (optional)
- » Completed application form

**DEADLINE:** Applications must be postmarked by **November 9, 2009**. Award of the scholarship will be in January 2010.
